# About Us

**Destiny Changers International Bible Institute (DCIBIN)** is a Christian Vocational Training institution registered in the State of Ohio, U.S.A. This institution was founded and established by Rev. David Mensah Noah and Rev. Rosemary Koomson in December 2015, opening its doors to the first set of students online on January 6, 2016 for a 6 months training program in Christian Ministry. DCIBIN seeks to equip those called into the five-fold ministry, worship and church leadership with the knowledge of the word of God for their personal growth, leadership service in their local churches and effective ministry, as they answer the call of God upon their lives.

## MINISTRY SCHOOLS & PROGRAMS

DCIBIN comprises of three Ministry Schools: *School of Ministry*, *School of Prophets* and *TREM School of Worship*.

Students can pursue Diploma and Advanced Diploma in Christian Ministry, with a specialization in the five-fold ministries (Apostolic, Pastoral, Evangelistic, Teaching ministry), Praise & Worship Ministry, Church Leadership among other programs. We also offer Certificate and Advanced Certificate courses. We are currently working on establishing onsite campuses both in the USA and abroad to enable those without internet connectivity or technological devices to gain access to our programs.

## SCHOOL MODEL

The institution has a robust technologically driven platform on which students can connect from around the world, as long as they have access to the internet or phone. Our virtual classroom is interactive and has video conferencing capabilities as well. Students can attend class in the comfort of their homes or wherever they may be connecting from to be a part of this great learning institution.

## STUDENT AID

Though we do not accept federal financial aid, we are able to provide Student Aid for needy students through scholarships and sponsorship programs. We have four kinds of student aid:
